Dear Chapter President,

Let me be the first to formally welcome you as an affiliate of the Society for Social Work Leadership in Health Care!

I applaud your commitment to working together to brand the Society as the premiere international organization for social work leaders and leadership in health care, and to leverage our impact on issues important to health care, social work, and our client population.

The future of health care is uncertain, and now is the time to build a strong national organization that can continue to amplify the voice of Social Work in the delivery of health care.

Once again I welcome you, and look forward to working with your chapter!

Sincerely,

Margaret Meyer, MSW, MBA, LCSW
President, Society for Social Work Leadership in Health Care
