OUR PROFILE:

The Society for Social Work Leadership in Health Care is an association dedicated to promoting the universal availability, accessibility, coordination, and effectiveness of health care, while addressing the psychosocial components of health and illness. We model and promote excellence of social work leadership in health care. It is our mission to lead, promote, develop, and support social work values, practice, and leadership in health care.

AFFILIATION WITH NATIONAL SSWLHC:

2010 marks our first year as being affiliated with the National Society for Social Work Leadership in Health Care. What does this mean for you as a Washington Chapter member?

- Member of both the National and Washington State Chapter for only \$30 for January, 2010—June 2011
- Membership in both is good through June 30, 2011
- After June 30, 2011 National will assume managing the membership role and billing for the chapter.
- In July, 2011 \$35 of your National Membership dues will be returned to the Washington Chapter.

THE SOCIETY'S GOALS INCLUDE:

- Assuring the best social work leadership in health care systems.
- Incorporating the core values of social work into the health care environment.
- Fostering and maintaining the best social work practice.
- Influencing social and health policy.
- Promoting standards and ethics for the delivery of social work in health care.

THE SOCIETY'S ACTIVITIES INCLUDE:

- Educational conferences and programs designed to address health care issues.
- Opportunities for professional networking, support and exchange of ideas.
- Ongoing information and advocacy on issues of concern to health care social workers, our organizations and the people we serve.
- Health policy information and avenues for direct action; health and legislative bulletins.

We do not sell member information. Once a year, a WA State Chapter Membership List will be sent to all members.
